

1. Brand Philosophy & Tone of Voice

Tawwerni represents modern tech elevation paired with practical rigor. It empowers Arabic and regional learners to master high-income skills through disciplined daily micro-habits, eschewing generic fluff for real-world velocity.

Mission & Core Vision

Mission: Transform random, unfinished courses into tangible career momentum through 5 minutes of focused daily execution.

Vision: Become the most dependable microlearning ecosystem in MENA for AI-era skills.

The Brand Persona & "Faheem"

Personified through the built-in AI mentor "**Faheem**": sharp, pragmatic, encouraging, and focused on action. Communicates with energetic clarity, rejecting bureaucratic jargon.

Tone of Voice Parameters:

Pragmatic & Action-First

We prioritize immediate execution over passive theory. Always provide a prompt or template.

Disciplined & Motivating

We celebrate consistency, streak momentum, and small daily wins as real progress.

Transparent & Honest

No artificial countdowns or fake urgency. Clear pricing with zero hidden fees.

2. Logo Construction & Mark Geometry

The Tawwerni brandmark merges fluid Arabic calligraphic roots with modern digital precision, conveying upward career ascension.
